Product No. 297-X

# X-TREME PRIMER

"THE" Products for Contractors & Homeowners

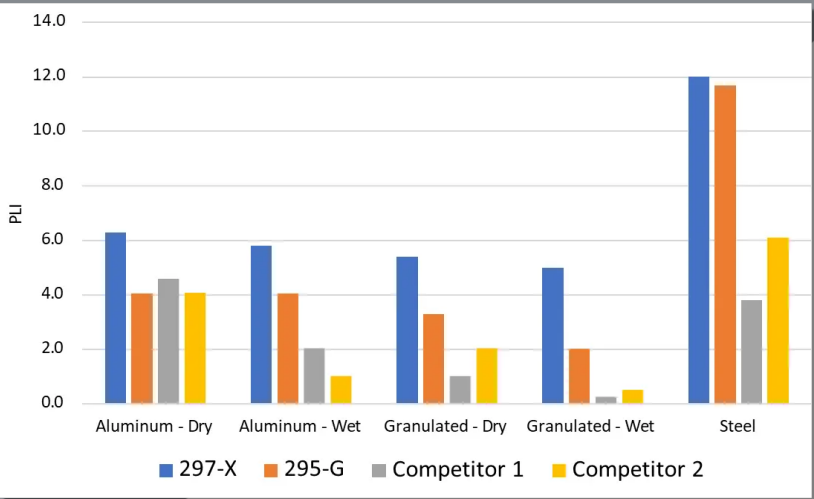

# UNMATCHED ADHESION

## X-Treme Adhesion Primer for a Variety of Substrates

- TPO
- EPDM
- Metals
- Acrylic Coatings
- Asphalt Based Surfaces
- Spray Polyurethane Foam (SPF)

# ADHESION IS UNMATCHED BY THE COMPETITION

# BLEED-BLOCKING TECHNOLOGY

When primed with 297-X, color change by asphalt bleed is reduced by **75%**

When applied in a cardboard box and soaked for 7 days, no water penetrated through the coating

# X-TREME WATERPROOFING

Product No. 297-X significantly increases water resistance by reducing the chances of blistering in low spots
